*There are large variations in percent changes between 2021, 2020, and 2019 International Visitor Arrivals. Please note, a percent change is amplified when an increase or decrease is seen on smaller values and should be interpreted with caution.

** This publication includes overseas arrivals for all durations, including same-day and overnight. Due to Covid-19, Statistics Canada is not producing overnight arrivals data for countries other than the United States at this time. Please note that prior to Covid-19 adjustments, Destination BC published data for overnight visitors only.

Likewise, customs entries include visitors that cross Canada Customs in BC, but who continue on to other provinces.
