Note: Customs entries include international visitors who cross Canada Customs in British Columbia. These figures do not account for all visitors to BC, as domestic visitors are excluded as well as international visitors who cross Canada Customs outside BC, yet still travel to BC. Likewise, customs entries include visitors that cross Canada Customs in BC, but who continue on to other provinces.

*There are large variations in percent changes between 2022, 2021, and 2019 International Visitor Arrivals. Please note, a percent change is amplified when an increase or decrease is seen on smaller values and should be interpreted with caution.

** Definitions for 'Europe' and 'Asia-Pacific' continents were updated in January 2022.

*** This publication includes overseas arrivals for all durations, including same-day and overnight. Due to Covid-19, Statistics Canada is not producing overnight arrivals data for countries other than the United States at this time. Please note that prior to Covid-19 adjustments, Destination BC published data for overnight visitors only.
